HOSPITALITY REINVENTED

MARCH | 2016

## WORLD WISE

THE 11<sup>TH</sup> ANNUAL BOUTIQUE 18 HONOREES  
PRACTICE INNOVATIVE DESIGN ON A GLOBAL SCALE

**1 SONNEMAN – A WAY OF LIGHT**

Gestures, including the three-arm LED pendant (shown in polished chrome), features sweeping arcs that radiate light from their top and bottom faces. Also available in a satin black finish.

**2 INNOVATIONS**

Part color block, part ikat, Batik is a large-scale, metallic Type II vinyl wallcovering inspired by India's motifs. The vinyl surface reflects glints of light from the metal foil beneath via a technique reminiscent of resist dyeing.

**3 MITYLITE**

The company collaborated with Avenue Interior Design to create The Galleria collection. Inspired by influential design eras throughout history from Greek Revival to Art Deco, the group of five aluminum banquet chairs includes Capital, Ashlar, Marquee, Lunette and Arris (shown, left to right).

**4 VALLEY FORGE FABRICS**

The Daedal collection, including tweed upholstery Phonous (shown), draws inspiration from Italy's cobblestone streets. The polyester and acrylic line's patterns range from 50,000 to 100,000 double rubs.

**5 FRENCH HERITAGE**
