BEST HOTEL BAR FOR LOCALS

BEL-AIRE LOUNGE AT DURANGO CASINO & RESORT

Clique Hospitality's gilded watering hole is the centerpiece of the main floor at Durango Casino & Resort. Visit Bel-Aire Lounge to be greeted by an expert team of mixologists, who are happy to whip up the photoworthy Blue Blossom or Pink Flamingo cocktails while you snack on spicy tuna crispy rice and blistered shishito peppers. Live DJs spinning vinyl set the mood for the night ahead, and a rotating lineup of events keeps the party going.
